ASSISTED LIVING AT VILLA PUEBLO

Located adjacent to Villa Pueblo's independent apartments, our assisted living accommodations provide an option for seniors that need some help with everyday tasks and 24-hour oversight to provide piece of mind.

Available services include:

- Assistance with bathing and dressing
- Medication oversight and/or management
- 24-hour wellness monitoring and assistance
- Three meals daily in the dining room
- Fun activities
- Scheduled transportation
- Beauty/barber shop

There is a licensed nurse available daily and trained nursing staff is available 24-hours a day. Additionally, specialized rehabilitation therapists, a social worker and activity coordinator are available should additional support be needed.

Each spacious apartment is unfurnished—residents are asked to bring their own furniture and décor to personalize their apartment home; however, if preferred, a furnished apartment can be arranged for an additional cost.

With all the amenities available on the Villa Pueblo campus, it is not a surprise that many residents spend less time in their apartments, and more time relaxing and socializing in the lounges and spacious patio and garden areas.
